of water drops to the point that it becomes necessary to place the Duchesne-Strawberry River System on regulation pending further Order of this Court;

2. The River Commissioner is further allowed to use Starvation Reservoir as a regulating device in conjunction with the distribution schedule for those water users making appropriate arrangements with the Central Utah Water Conservancy District, so long as other rights are not impaired, and so long as such users have in place adequate measuring devices approved by the State Engineer;

3. This Order shall take effect upon execution by the Court, and shall remain in effect for the 2002 irrigation season unless otherwise ordered by the Court. Provided, however, that nothing in this Order shall foreclose a water user from filing an objection at any time during the 2002 season;

4. This Order is made and entered without prejudice to the claims or assertions of any of the parties in subsequent proceedings in this action, and does not constitute a final determination by

this Court on the rights of the parties or the final duty of water from this source.

DATED this 15 day of April, 2002.

BY THE COURT:

A handwritten signature in black ink, appearing to read "John R. Anderson", is written over a horizontal line. The signature is fluid and cursive, with the first name "John" being particularly prominent.
